### **Reminder - NIDA Open Day 2025**

14 June

Interested in studying at NIDA, or just curious about what we offer? NIDA Open Day is the perfect opportunity for prospective students to visit the campus and get a taste of the NIDA experience.

Whether you want to perform on stage or be behind the scenes, you can learn about all NIDA's course offerings, meet alumni and current students, observe classroom activities, check out students' creative work in costume, make-up, design and more, as well as ask questions, get tips for your application, chat to expert teaching staff and watch live student productions.

At Open Day, you'll get a sense of what life at NIDA is really like, and where your future with us can take you.

### **University of Newcastle ExperimentFest**

Ourimbah: 16-19 June

Callaghan: 23-27 June

For the more than 20 years, the University of Newcastle has been working with local high schools to provide authentic, engaging, and hands-on experiences for HSC students.

For those studying Stage 6 Science, Experiment Fest is the chance to improve laboratory skills and use specialised equipment that isn't readily available in regular classrooms, while conducting experiments that directly relate to the HSC syllabus in the areas of;

- Biology
- Chemistry
- Earth and Environmental Science
- Physics

### **National Science Week 2025**

9-17 August

National Science Week is Australia's annual celebration of science and technology.

Running each year in August, it features more than 2,000 events around Australia, including those delivered by universities, schools, research institutions, libraries, museums and science centres.

### **Australian Science Olympiads**

Exams run 4 - 7 August

The Australian Science Olympiads are a staged science enrichment program for highly motivated students in Australian high schools.

The ultimate goal of the Australian Science Olympiads is to select the team to represent Australia at the International Science Olympiads.

We have been coordinating the selection of the international team for over thirty-five years.

The Australian Science Olympiad Exams are challenging but rewarding online exams held once a year. Following the completion of the exams, students may be offered a place in our pathway programs. All programs are by invitation-only.
