

YEAR 11 YEARLY EXAMINATIONS

Dear Parent's/Carers,

Your child will complete the formal Year 11 Yearly Examinations during Weeks 9 and 10 of Term 3, from **Monday 11 September 2023 to Friday 22 September 2023**. A copy of the timetable is included with this letter.

This is a formal examination period and students are expected to undertake **home study** when they do not have an examination. This means that it is possible for students without an examination during the first session to arrive at school later in the day.

Students must arrive to the examination venue 20 minutes prior to a scheduled examination and assemble near the canteen for Hall examinations and the Quad for Top of B Block Examinations. Their attendance will be recorded at the examination venue. If students are unable to travel to school later in the day, the library will be available and supervised. If students do not have an examination in the afternoon, they are permitted to leave school, but **must go directly home** to resume their study. Students are reminded of the school's high expectations, especially when dressed in school uniform.

Where students do not complete an examination (due to illness, misadventure, malpractice or any other reason), students must follow the procedures outlined in the 'Year 11 Preliminary Assessment Policy' document issued to students in Term 1, 2023. This document is available on the school website. Expectations of acceptable behaviour for students are as follows:

- Students will be expected to follow strict examination conditions from the moment they enter any examination venue until they are dismissed. This includes having **all of their own equipment**, as borrowing during examinations will not be allowed. Rules for conduct during examinations can be found in the 'Year 11 Assessment Policy'. All equipment must be carried so it can be inspected by examination supervisors as students enter the examination room.
- Students are responsible for checking their examination timetable carefully each day. If a student is absent during the examination period, please advise the school immediately and provide relevant documentation as outlined in the 'Year 11 Assessment Policy' on the next school day. This must be supported by a Glenwood High School Medical Certificate or statutory declaration for the examination mark to contribute to the student's school assessment. This documentation will need to be lodged with the Deputy Principal.
- Students are not to have mobile phones, smart watches with them during an examination. These are to be **switched off and kept in Yondr pouches** if they are at school.
- Students must be in **full school uniform** for examinations.
- Students will be required to remain in the examination room for the duration of the entire examination they are sitting.

I would appreciate it if you could discuss these expectations with your child. Please do not hesitate to contact me at school if you have any questions. I would like to wish all Year 11 students the very best for this important examination period.

Ms Rachael Powter
Deputy Principal (Rel.)
