## Year 7 2025

### *Assessment Schedules*

- The assessment schedules are in alphabetical order
- Each course assessment schedule indicates the **task type and weighting, along with the relevant syllabus outcomes and due date** (Term and Week).
- Often a number of **outcomes** can be addressed by a single task.
- Not all **outcomes** are assessed with each task.
- Any **variations** to an assessment schedule for a course will be provided by the class teacher in writing with two weeks notice of a change. Changes will also be made to this document, with a list of such changes outlined in the table that follows.
- **Final mark and rank** for each course is made up from all outlined assessment tasks described. For those semesterised courses, including Languages, History and Geography, the final mark and rank is made up from tasks within the semester, while other courses are made up from the year.
- For **further information** on assessment schedules for specific courses, contact the **class teacher** or **head teacher** of the **subject**.
