

## YEAR 12 (HSC) TRIALS EXAMINATION

Dear parent/carer,

Your child will complete formal examinations during Weeks 1 and 2, Term 3, from **Monday, 22nd July 2019 to Friday, 2nd August 2019**. A copy of the timetable is included with this letter.

This is a formal examination period and students are expected to undertake **home study** when they do not have an examination. This means that it is possible for students without an examination during the first session to arrive at school later in the day.

Students must arrive to the venue 20 minutes prior to a scheduled exam and assemble near the canteen. Their attendance will be recorded at the examination venue. If students are unable to travel to school later in the day, then the library will be available and supervised. Students must use this facility when not in examinations. However, if students do not have an examination in the afternoon, they are permitted to leave school, but **must go directly home** to resume their study. Students are reminded of the school's high expectations, especially when dressed in school uniform.

Where students do not complete an examination (due to illness, misadventure, malpractice or any other reason), students must follow the procedures outlined in the 'Year 12 (2019) HSC Assessment Policy and Schedules' document issued to students in Term 4, 2018. This document is available on the school website. Expectations of acceptable behaviour for students are as follows:

- Students will be expected to follow strict examination conditions from the moment they enter any examination venue until they are dismissed. This includes having **all of their own equipment**, as borrowing during examinations will not be allowed. Rules for conduct during examinations can be found in the 'Year 12 (2019) HSC Assessment Policy and Schedules' document.
- Students are responsible for checking their examination timetable carefully each day.
- If a student is absent during the examination period, please advise the school immediately and provide written confirmation on the next school day. This must be supported by a medical certificate or statutory declaration for the examination mark to contribute to the student's school assessment. A formal appeal will need to be lodged with the Deputy Principal.
- Students are not to have mobile phones, smart watches or MP3 players with them during an examination. These are to be **switched off and kept in school bags** if they are at school.

Students must be in **full school uniform** for examinations.

I would appreciate it if you could discuss these expectations with your child. Please do not hesitate to contact me at school if you have any questions. I would like to wish all Year 12 students the very best for this important examination period.

Mrs Karen O'Connor  
Deputy Principal (Relieving)
