CAPA

Talent Development Project - Last Chance!

Applications Close 4 July

The School Program is open to NSW Government high school students, in years 10, 11 or 12. If you are singer, singer-songwriter, musical theatre performer, instrumentalist or part of a band, you are welcome to apply.

Funded by the NSW Department of Education, there are no fees charged to attend the program and TDP encourages students from all over NSW to apply.

The program is divided into three Phases. Each Phase lasts for three months. You are selected to move through each Phase depending on your progress at the workshops. At each workshop you will have access to working professional musicians, singers and songwriters who will coach, mentor and guide your development.

<https://www.talentdevelopmentproject.org.au/apply-now/>

NIDA Holiday Courses

Our Holiday Program offers fun and engaging skills-based training for all ages and aspirations. From 1-week programs to 2-day short courses for adults, children and young people, our Spring courses have something for everyone.

Australian Institute of Music - Music & Lyrics: The Songwriter's Tool Kit

7-8 July

Created for students in Years 9-12, AIM's new high school music workshops provide incredible opportunities to explore songwriting, mentored by AIM's own accomplished musicians and educators.

This songwriting workshop is essential for any high school students curious about writing songs and performing and is a golden opportunity to work with incredibly accomplished songwriters. Join us these school holidays and discover the songwriter and performer you were born to become.

Australian Institute of Music - Mastering Performance

7 July

AIM's new school holiday workshop is designed for high school students interested in music performance.

Created for students in Years 9-12, the workshops provide incredible opportunities to experience playing and performing music, mentored by AIM's own accomplished musicians and educators.

Learn, practice and perform contemporary and classic pop, rock and soul tunes, under the expertise of Australia's leading music mentors.

Over the course of the workshop, students will work with two AIM alumni, Gian Timothy Gho who is a professional drummer, and Noa Kidd, a professional guitar player, to expand their performance skills in a collaborative and inspiring environment. They will workshop communication in an ensemble, chart reading, rhythm, pitch, dynamic, improvisation, stylistic interpretation and performance. Under their guidance, they will use these new rehearsal and performance techniques to create a small set of diverse songs in collaboration with other students in the class to present a performance for family and friends.

AMPA Dance Experience Day

7 July

Academy of Music and Performing Arts (AMPA) invites dancers to join us on campus for a day of dance.

Register and bring your friends along and get ready to move!

Dancers will have a chance to participate in contemporary & improvisation classes facilitated by AMPA's inspiring faculty and experience what studying dance full-time is like at AMPA. A Q&A with the program's Head of Dance will allow aspiring dancers, choreographers, and dance teachers, to gain further insight into tertiary education and how it can benefit their future careers.

Photography Workshop - Capturing Golden Hour Sunsets

16 August

Do you wish you could use your camera to capture what your eyes see?

This Coastal Sunset landscape photography workshop is perfect for those with a passion for capturing the beauty of the sun setting and changing colours against the coastline from Bare Island at La Perouse. Darren will take you through the techniques required on how to best turn the reality of the natural environments you visit into equally memorable images.

Our Nikon School Lecturer Darren Leigh Roberts will teach you how to set up and customise your camera so that you'll be able to capture sunset coastal landscapes under the changing sunset light, develop your compositional eye to capture the coastlines' richness of colour, raw natural landscape and wild ocean in motion.

UOW Year 12 Subject Support Series

8 July - Wollongong Campus (English Advanced and Maths Advanced)

9 July - Intensive Science Events (Year 11 & 12 Physics)

15 July - Liverpool Campus (English Advanced and Maths Advanced)

The University of Wollongong (UOW) is committed to providing additional resources and assistance to help students reach their potential in their final years of school.

The Year 11 & 12 Subject Support Sessions is designed to help students improve their knowledge and understanding of key subject content and discover what HSC exam markers are looking for.

In conjunction with InspirationED, experienced HSC teachers/markers and UOW staff will be running subject revision programs across May, June and July for current Year 11 and Year 12 students.

Participants will have the opportunity to ask questions and receive tips and strategies directly from the most qualified and experienced HSC markers in NSW.

And here's the cherry on top: all webinars and bootcamps are completely FREE! For our brand new science 'Intensive' in Physics, we've kept the cost very low at \$11 to help cover student lunches and materials. PLUS, all attendees will receive an example exam paper with exemplar responses, so you can see exactly what top-tier answers look like and how to nail your own!

ABC Heywire Competition

Entries Close 1 September

Heywire is an exciting competition from the ABC, calling for stories from high school aged students in regional, rural and remote Australia. And we want to hear from you! Entries must be a true story about an aspect of your life. Stories can be in any format: text, video or audio — whatever form suits you best! Most of our entries are text but feel free to be creative. The recommended length is 400 words.

University of Sydney - Women in Engineering Information Night

21 July

Are you a female student in Year 12 and thinking about studying Engineering, Computer Science or Project Management? Have you ever wondered what it's like to study engineering at the University of Sydney? We're committed to supporting women-identifying students to thrive across all areas of engineering, computer science and project management - and that's why we're investing in that future with over \$1.5 million of new scholarships for 2026 specifically for women. We believe the future of engineering is more diverse, more inclusive, and led by the next generation of bold thinkers.

Join us for an evening of conversation and connection and explore what it means to study engineering at Sydney. Hear from current students and academic leaders, including Professor Hesham El Gamal (Dean of Engineering) and Professor Renae Ryan (Associate Dean, Culture & Community), as they share how we're creating space for women to lead, innovate, and shape the future of engineering.

You'll have a chance to talk with representatives from all our disciplines, and have your questions answered in a Q&A session with engineering staff and current students. The event will be fully catered, Register now to explore your path and find your place in Engineering. Your future, our community.

Teens in Business Award

Applications Close 15 October

Young people across Australia who have incredibly creative ideas are developing and running amazing businesses, and are creating value for their communities.

We want to acknowledge these young people and give them the support to expand their impact.

By getting involved, students can join a growing community of young people doing innovative things through business.
