Dear Parents / Caregiver,

Year 10 have been given the opportunity to participate in Bstreetsmart Road Safety Education Program. The day will include an exciting combination of demonstrations, crash dynamics and rescue, vehicle stopping distances and active exhibits. This program has had a lot of success over previous years. This is a young driver education program conducted by the NSW police, fire brigade, ambulance, RMS and other motoring bodies. The aim is to help young people make decisions that reduce their risk of being involved in a crash.

All Year 10 are encouraged to go on this excursion. There will be NO normal lessons for year 10 on this day; however, if your child is unable to attend the excursion there will be a class for students to study. Not their regular class.

I ask that you return the permission note to the front office with payment by Tuesday 7th August. If permission note and money is not returned by this day your child will not be able to attend the day.

There are a few considerations that both parents and students need to be aware of:

- In one session there will be an emotional real life scene showing the effects of a fatal car crash.
- Please note that there will be media present at the bstreetsmart forum and your child may be photographed. If you have any problem with this could you please indicate on the return permission slip.

The cost of this excursion has been kept to a minimum and subsidised due to the importance and relevance of this event. The cost of \$15 includes travelling to and from the venue by bus and all sessions. Please note that there may be a maximum number of students who may attend this event. The signed permission note must be returned to the front office with the correct money. We are unable to provide students with change. .
