Dear parent/carer,

An excursion has been organised to support the following work being completed at school:

In Year 12 Society and Culture, students study Buddhism as part of the Belief Systems and Ideologies topic. In this excursion, students will have the opportunity to immerse themselves within the practices and traditions of this community, in order to better understand its impact and teachings, which will benefit their comprehension of the topic and course generally. **Further information on the event will be provided following payment for the excursion.**

Please note that there may be a maximum number of students who may attend this event (see above). The signed permission note must be returned to the front office with the correct money. We are unable to provide students with change. We strongly encourage your child to attend this activity, as it will be a positive and valuable learning experience.
