Dear Parent/Carer,

An incursion has been organised to support the following work being completed at school:

As part of International Women's Day, a number of seminars have been arranged – opened to both boys and girls – to give opportunities to engage in activities and build life skills in areas that students may find of interest, and not be exposed to. Please be aware, **students may only attend ONE seminar during this week, and for that seminar they will miss out on their regular classes. It is the responsibility of students to catch up on missed coursework. No student can attend a seminar if they have an assessment task booked in that respective time.**

Please note that there may be a maximum number of students who may attend this event (see above). The signed permission note must be returned to the front office with the correct money. We are unable to provide students with change. We strongly encourage your child to attend this activity, as it will be a positive and valuable learning experience.
