Dear Parent/Carer,

An incursion has been organised to support the following work being completed at school:

As part of International Women's Day, a range of programs and activities have been arranged for both boys and girls in Years 9 and 10. These includes looking at the idea of gender roles and jobs, gender stereotypes, role of social media, etc. A number of staff will also speak with the students during this time to help further their work in this area. These activities are designed to be particularly relevant to both boys and girls, but are facilitated to two locations by gender to help better address the particular environment and relevant content.

**Please note, you only need to complete the permission note if you DO NOT wish for your child to attend. In this case, separate supervision will be provided.**

Please note that there may be a maximum number of students who may attend this event (see above). The signed permission note must be returned to the front office with the correct money. We are unable to provide students with change. We strongly encourage your child to attend this activity, as it will be a positive and valuable learning experience.
