Dear Parent/Carer,

An incursion has been organised to support the following work being completed at school:

As part of International Women's Day, a range of programs and activities have been arranged for both boys and girls in Years 11 and 12. On Wednesday, 4th March, Years 11 and 12 girls will have a guest speaker, who will talk to issues of self-worth, impact of social media, and her own personal experiences (**please be advised, some of these experiences will relate to issues of domestic violence**). At this time, Years 11 and 12 boys will be completing a program on the important women in their lives, how both men and women can strive for gender equality, etc., which they will continue during Periods 5 and 6 on Friday, 6th March. During this time on Friday, our Year 11 and 12 girls will be the audience participants for a panel composed of women in our community, where they will be able to ask questions and discuss relevant matters of interest.

Please note, you only need to complete the permission note if you DO NOT wish for your child to attend. In this case, separate supervision will be provided.

Please note that there may be a maximum number of students who may attend this event (see above). The signed permission note must be returned to the front office with the correct money. We are unable to provide students with change. We strongly encourage your child to attend this activity, as it will be a positive and valuable learning experience.
