Dear Parent/Carer,

An excursion has been organised to support the following work being completed at school:

Year 12 Economics students have the chance of being part of the live studio audience on the ABC show Q and A. Students will submit their questions prior to the date and will have the opportunity to discuss it with panellists live on the show. This is an excellent opportunity for students as it will allow them to discuss key issues with politicians and other key economic panellists, and gain an insight and deeper understanding of the key economic issues Australia is currently facing.

Due to the nature of the show being live and having a start time of 9:30, students will have to be dropped off by parents at the ABC by 7:30pm on the day. Students will then need to be picked up at 10:45pm by parents. Students may choose to carpool with their friend's parents, however a note is required by the students' parents who are carpooling at least one week prior to the excursion.

**Under no circumstances are students allowed to drive to the venue themselves, regardless of whether or not they have their provisional licence. A parent MUST be driving the student.**
