Dear Parent/Carer,

The Economics syllabus examines a vast range of economic issues and organisations. One of those organisations is the Reserve Bank of Australia. The RBA is responsible for the regulations of financial markets. There are a variety of presentations that the students will observe, such as the role and function of the RBA, monetary policy and the information on the current Australian economic climate. After these, presentations students will have the chance to explore the RBA museum which tells the story of Australia's bank notes against the background of the nation's economic and social development, from colonial settlement through to the current era. Please note that there may be a maximum number of students who may attend this event (see above). Students will be meeting the teachers at Blacktown Station at 8:30am to catch a train to Wynyard station. Students will return to Blacktown station at the end of the excursion and will be dismissed from there. Students will need to ensure they have their opal cards, otherwise they will need to pay adult fares

Things to bring

- Clipboard and pen
- Student Opal card with required funds
- Morning tea and lunch as there are no food areas that will cater for 46 students

Please note that there may be a maximum number of students who may attend this event (see above). The signed permission note must be returned to the classroom teacher. We strongly encourage your child to attend this activity, as it will be a positive and valuable learning experience.
