Dear parent/carer,

An excursion has been organised to support the following work being completed at school:

As part of Future Directions year 10, the students will work with a men's mentoring group to develop their leadership and decision making skills to better equip them with the tools to continue through year 11 or an alternative pathway. Conviction group topics that are relevant to young men today are mental health, mateship, resilience, male expectations and/or anti-violence campaigns. The program will be held for the whole day at Parramatta RSL. Snacks, morning tea and lunch will be provided throughout the day.

Please note that there may be a maximum number of students who may attend this event (see above). The signed permission note must be returned to the front office with the correct money (excluding the bus fare, this can be sorted on the day through the students Opal card). We strongly encourage your child to attend this activity, as it will be a positive and valuable learning experience.
